TRIPS!

TRIPS!

TRIPS!

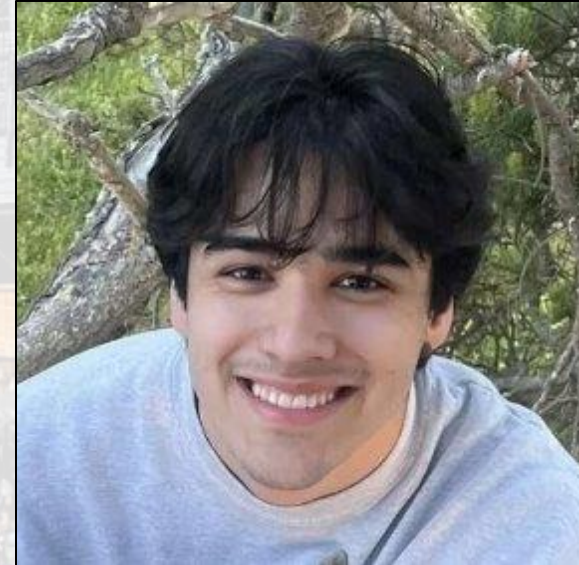

Project Recaps!

Seattle Mariners

Project Objective: Strengthen their fundraising program by clarifying its story, benchmarking best practices, and creating new in-stadium experiences that attract diverse fans and boost awareness

Spokane Zephyr

Project Objective: Identify and prioritize high-fit sponsor partners while building a targeted set of strategic sponsors and contacts. Develop a Cohesive sponsorship narrative

Gonzaga Institute for Informatics

Project Objective: Research, map, and analyze sports analytics programs and courses across NCAA institutions

Sunshine Club

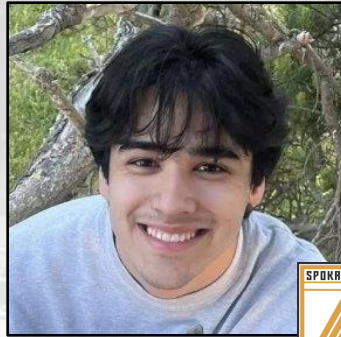

Project Objective: Research reasons sponsors should invest in the Spokane market and find large sponsors who have connections to the Spokane Region and Gonzaga.

Portland Trailblazers

Project Objective: Grow stronger B2B partnerships by identifying best practices, clarifying their value to businesses, and building scalable partnership platforms

Thank You PM's!

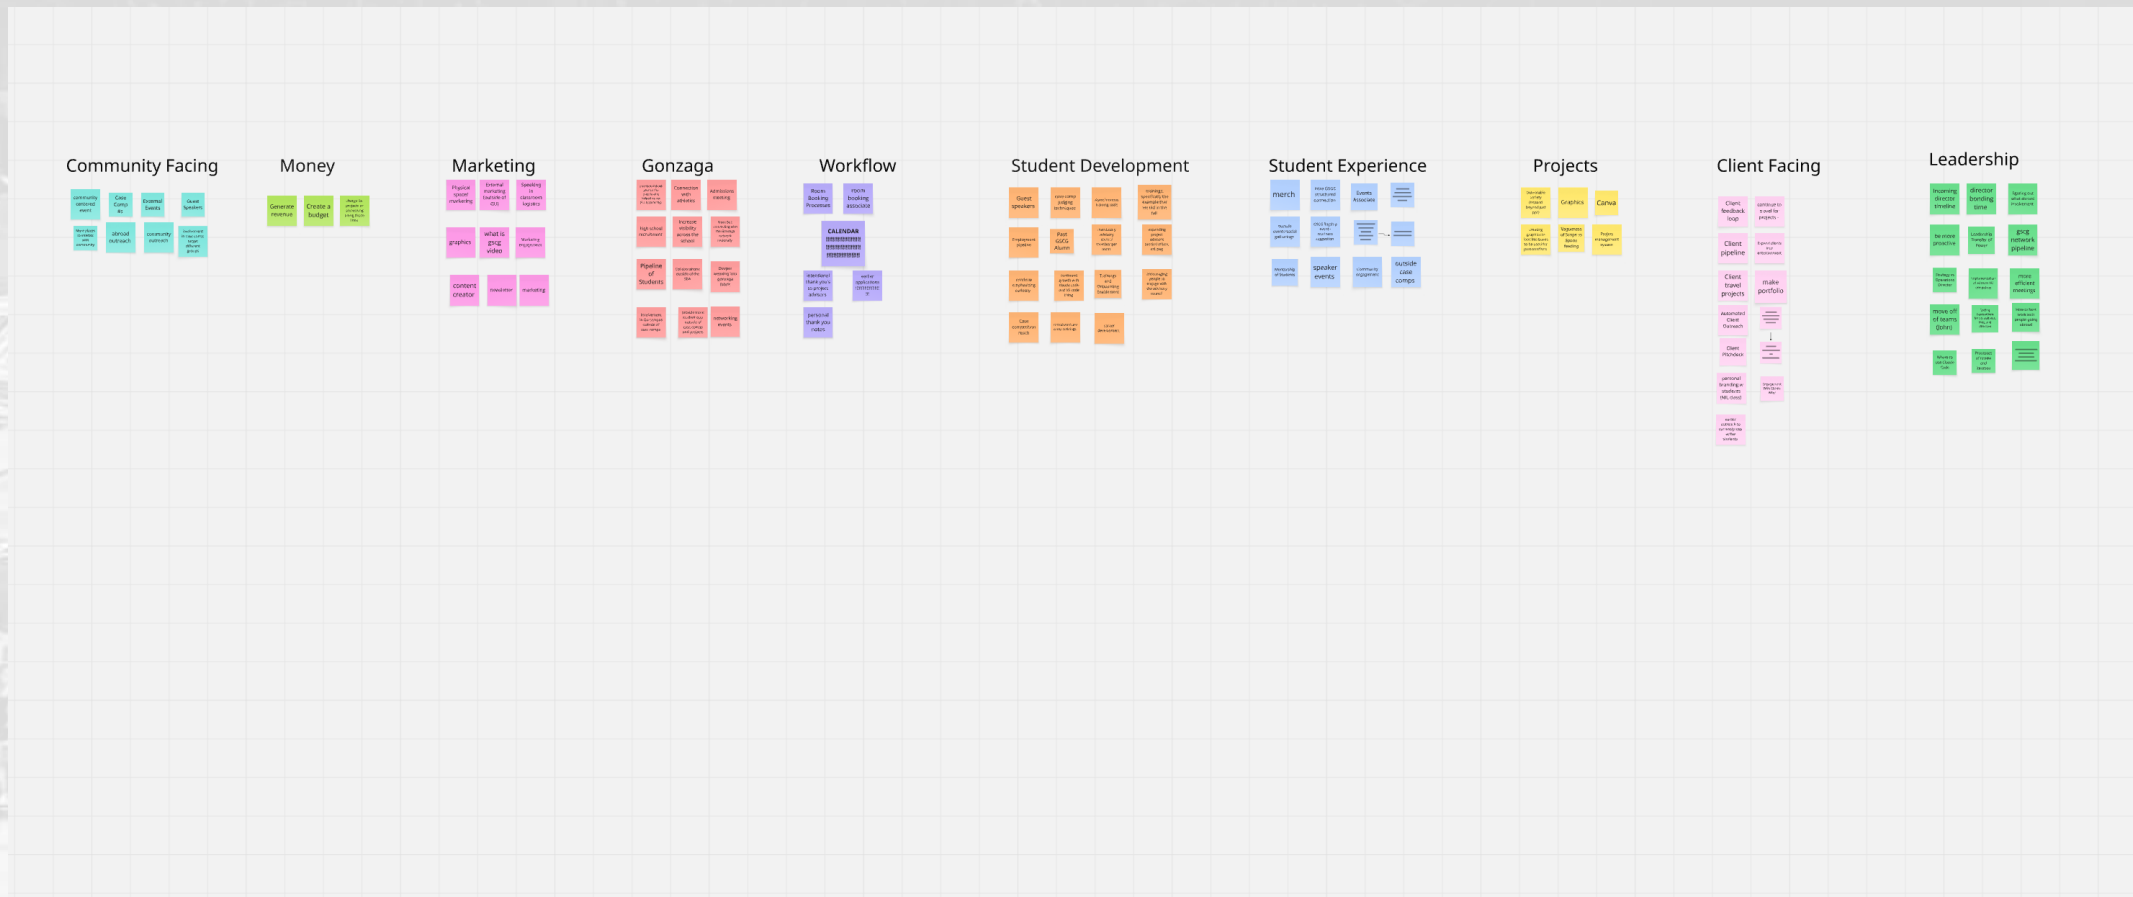

Thank You Associates

Advisory Council

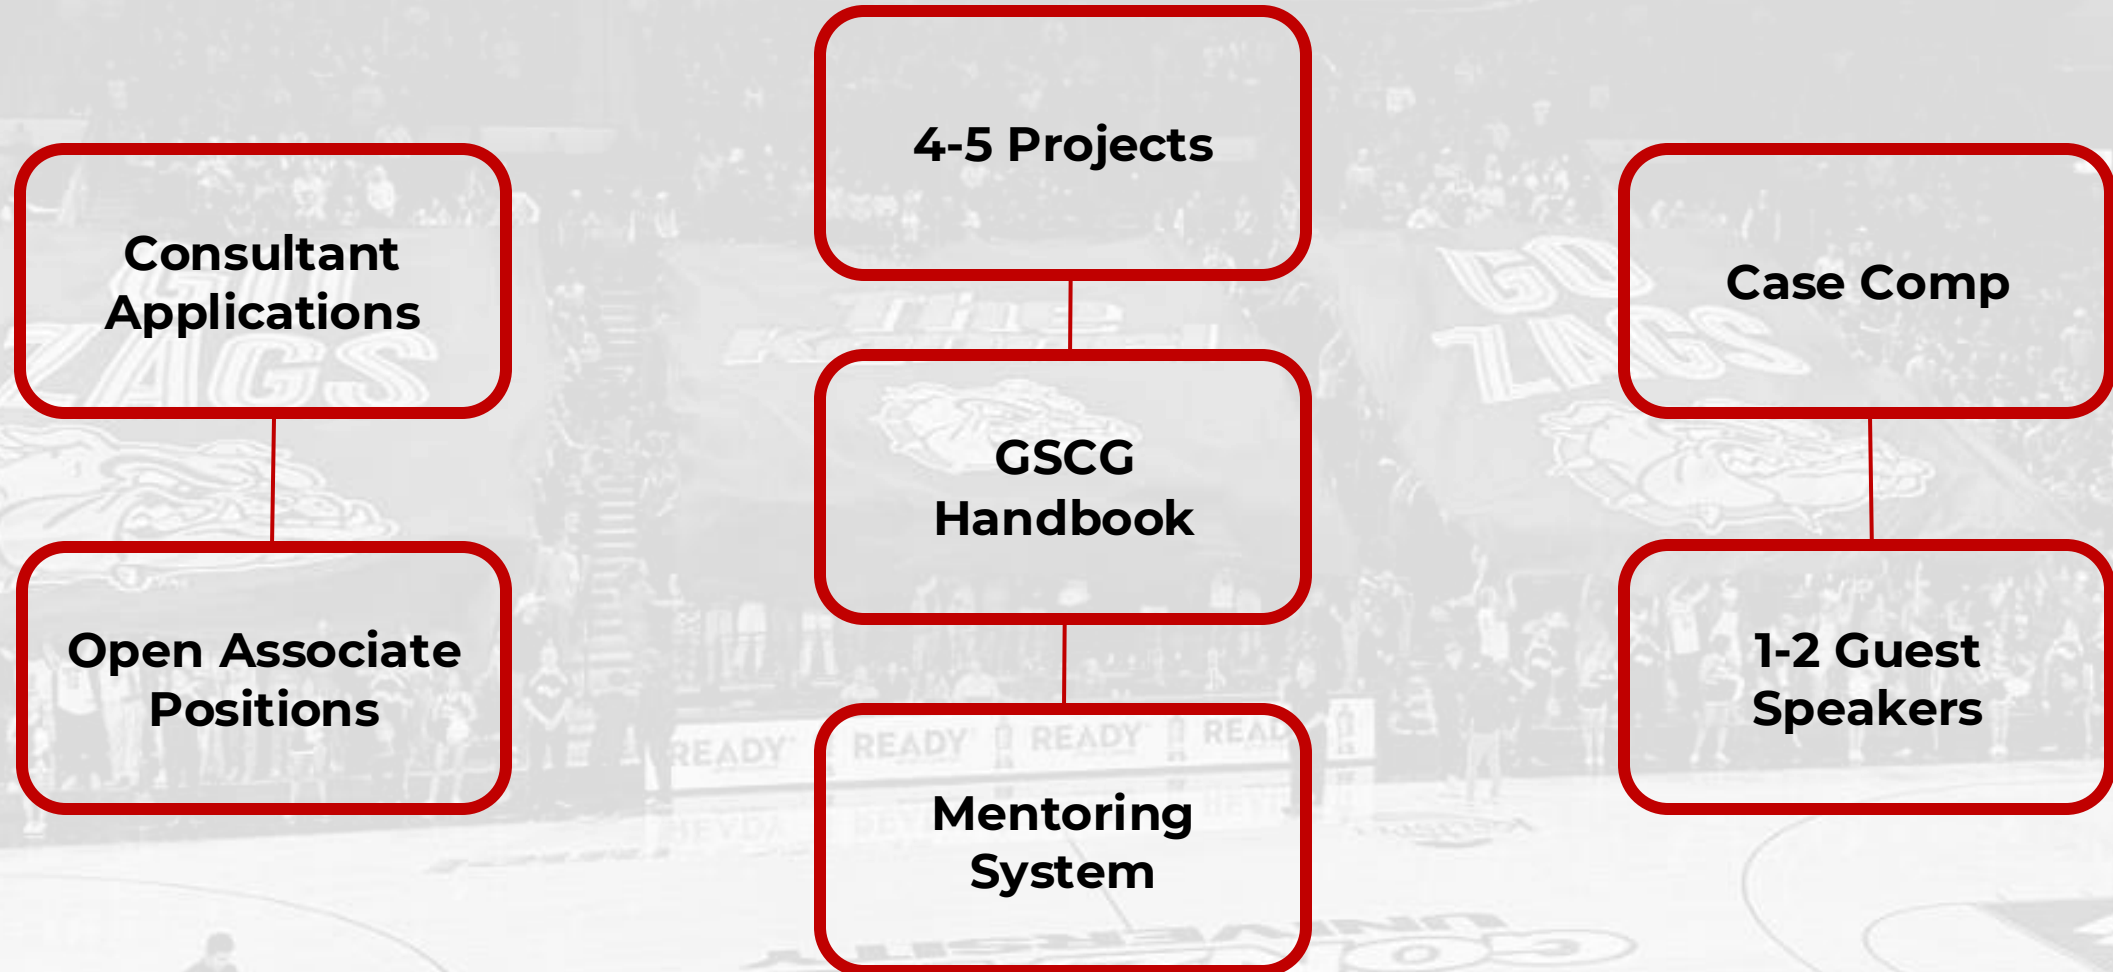

Where We Need To Grow?

Where We Need To Grow?

- What are some gaps in our processes, trainings and operations?
- What resources & support would you like to have moving forward?
- What is something new you are looking for out of GSCG next fall

What Does Fall Look Like
